SPRING SEED WINES 'WANDERER' NV McLaren VALE SPARKLING RED

Spring Seed Wine Co

Spring Seed Wines are made from grapes lovingly grown in our family's organic vineyard, located in the premium wine region of McLaren Vale, South Australia. The vineyard was established in the early 1970's by Peter and Anthea Bosworth, and is now owned and run by their son Joch (and partner Louise Hemsley-Smith), who began the conversion to organic viticulture in 1995. The vines are fully certified 'A' grade organic by Australian Certified Organic, a process that takes four years and involves yearly audits and random sampling of produce. The Spring Seed Wine labels are unashamedly inspired by vintage flower seed packets created at the turn of the last century. The colour, clarity and beauty of the original seed packets are quite remarkable. We have chosen the Heliotrope image for our Sparkling Red. 'Wanderer' is our take on one of heliotrope's common names.

Vintage Notes

Wanderer is made by blending a few different vintages of a few different blends of various red grape varieties from our organic vineyards. The blend now mainly comprises Shiraz and Cabernet Sauvignon.

Winemaking

The red wine grapes are picked gently before being taken to the winery to be crushed and fermented in open vessels. Once through ferment, they are pressed off skins and sent to stainless steel vessels and some older oak barrels to mature. Joch carefully selects the parcels of wine to make up the base wine blend. This final blend then gets its 'fizz', the second stage of the process of making 'Wanderer', prior to bottling and packaging.

Tasting Note

'Wanderer' is an elegant, yet full bodied sparkling red made using our own home-grown organic red wine grapes. It has a vibrant bright purple colour, with a nose ripe with blueberries, plum, black cherry and a hint of violets. It is perfect as an aperitif or can enjoyed with a variety of food. 'Wanderer' LOVES turkey and cranberry sauce at Christmas time. Serve chilled.
